PCF 8.0 — Manage Information Technology (IT)

Full RACI Assignment — All Processes

PROCESS GROUPS 7	L3 PROCESSES CONFIRMED 44	L4 ACTIVITIES INHERITED 251
----------------------------	-------------------------------------	---------------------------------------

This document reports confirmed R/A/C/I role accountability for all of PCF 8.0 (Manage Information Technology (IT)) — every L4 activity inherits its parent L3's confirmed RACI, since RACI in this framework is assigned at L3 process granularity, grounded directly in real APQC L4 activity text against the Organizational Role Taxonomy.
